### “Beware of using Credit Cards”

Reviewed May 13, 2014

Visited this restaurant in Senayan Arcadia over the weekend. The food was good, margaritas were weak. I had the Tostadas and my date had the Beef Quesadillas. Being from Texas, the food was not bad. The table side guacamole was excellent.

The reason I will not return is not because of the food, but the issue I had with using a CC there. I noticed fraudulent charges a day after I dined there. I have not used the CC in weeks, and it has always been in my possession. I also had a colleague that had his backpack stolen while dining there about six weeks ago. My colleagues and I have used CC and dined at multiple restaurants in and around Jakarta. This is the only restaurant we have seen problems. I'm wondering if any others have had similar problems here?

Enjoy the food, but pay cash and watch your belongings.
